WORK EXPERIENCE

Digital Marketing and Content Production — TeachMe

[Freelance Client Project | 2025](#)

- Planned and delivered an end-to-end promotional campaign for TeachMe, including concept development, scripting, shoot coordination, editing, and final delivery
- Translated the client brief into a promotional concept, script and social-media content plan.
- Directed the advertisement shoot and coordinated filming, production and final delivery.
- Edited promotional content for short-form social-media distribution.
- Communicated directly with the client and independently managed campaign requirements and deadlines.

Creative Director / Co-Director — YouTube Music Content : [YouTube Portfolio](#)

[Freelance / YouTube Channel | 2023–Present](#)

- Worked as a director and co-director for music video content published on YouTube.
- Contributed to concept development, visual direction, shoot planning and video production.
- Directed and supported the production of song-based video content, including Kilimsia singing videos.
- Helped produce video songs that reached 60,000+ views and 1.5K likes on YouTube.
- Collaborated with singers, performers and production members to deliver engaging music content for online audiences.

Content Creator and Social Media Manager

Freelance / Personal Brand | 2023–Present

- Created 20+ short-form videos for Instagram and TikTok, managing the full process from planning to editing and publishing.
- Plan, film and edit short-form content for Instagram and TikTok.
- Develop content calendars and concepts based on audience interests and platform trends.
- Analyze reach, watch time, retention and engagement to improve future content.
- Maintain a consistent visual identity and publishing schedule across platforms.

PROJECTS

Frontend Web Application

2024

Academic Project | Technologies: HTML, CSS, JavaScript

- Built a responsive, multi-page web application with interactive UI components
- Implemented client-side form validation, DOM manipulation, and dynamic user interactions
- Focused on clean UI/UX design, accessibility, and cross-device usability
- Managed source code using GitHub for version control

Social Media Content & Growth Project

2023 – Present

Personal | Project Freelance

Instagram - <https://www.instagram.com/reel/DTzP5PWEZFD/>

- Planned, filmed and edited short-form video content for Instagram and TikTok, focusing on audience engagement and organic reach.
- Experimented with engagement strategies and content formats to grow audience organically
- Tracked platform analytics to measure reach, retention, and audience behavior
